boastimage.com

What's happening with your site

The Google indexing status for boastimage.com shows a mixed but generally positive trend this check. Out of 101 inspected URLs, 46 are now submitted and indexed, which is an improvement of 5 pages since the last report. There has been a decrease in the number of URLs marked as "Discovered - currently not indexed" and "URL is unknown to Google," indicating progress in getting more pages recognized by Google. However, there are still some pages excluded by a 'noindex' tag and blocked by robots.txt, which may need attention to optimize visibility further. Overall, the site is moving in the right direction with more content being indexed.
